MESSERLY ACTIVITY BUILDING
CHARLES MILL LAKE PARK

The staff at Charles Mill Lake Park, along with long-time Activities Leader Donna Messerly, have long dreamt of providing a building for programs and events in all kinds of weather. Thanks to Ms. Messerly's generous donations, that shared dream has become a reality. The Messerly Activity Building was constructed in 2013 on a bluff overlooking the lake and park beach and provides a beautiful setting for events, programs and gatherings for campers and visitors alike.

You or your group can continue to support this dream by funding one or more of the much-needed items listed below, or by making a donation to the project as a whole. All donations will be placed in the Messerly Activity Building Fund of the Muskingum Watershed Conservancy Foundation (MWCF), will be used solely for this project, and will be tax deductible to the extent allowed by law. Simply fill out the form below and return to:
